TO : Chief, Operations School, TR

DATE: 20 July 1955

FROM : AC/OS/TR

SUBJECT: Weekly Activities Report # 29

SIGNIFICANT ITEMS

a. Special Air Force Training Program. Course critiques submitted by the 15 students in this program have been reviewed by C/OS, the interested instructors and the undersigned and were turned over to Col. Giblo last week. A course report is being prepared which, among other things, will contain a summary of these critiques. On Friday 15 July the two chief instructors and the undersigned met with representatives of the A&E staff to discuss each individual's performance in the training program as compared with the test scores obtained by A&E as a result of the test battery administered prior to the commencement of the training program. Training evaluations on each student have been prepared by this unit, but we are awaiting a written report from A&E prior to submitting these evaluations, through channels, to the Air Force. A&E promised to get their written reports to me during the week of 18 July, but they have not been received to date.
